

REMARKS

Reconsideration of the application is requested. Claims 1-4 and 7-9 are pending in the application.

On page 3 of the Office action, the Examiner rejects claims 1-4 and 7-9 as being based upon a defective reissue oath/declaration. Applicants herewith submit an executed *Supplemental Declaration for Reissue Patent Application to Correct "Errors" Statement*. It is believed that the enclosed declaration is fully in compliance with 37 CFR 1.175(a)(1). The allowance of claims 1-4 and 7-9 is respectfully submitted.

Furthermore, applicants herewith resubmit a copy of the amendment filed on April 13, 2006, in which the corrections requested by the Examiner on page 2 of the Office action had already been implemented, i.e. the changes have properly been presented in underlining and brackets and claim 9 has correctly been identified as "original". Undersigned counsel herewith certifies that the enclosed copy is a true and complete copy of applicant's amendment of April 13, 2006.

The entry of the amendment and the allowance of all pending claims is respectfully requested.

Respectfully submitted,

Werner H. Stemer (34,956)
